Senoko Energy thanks Prime Minister Lee Hsien Loong for celebrating Lunar New Year with workers at Senoko Power Station

On the first day of the Lunar New Year, Prime Minister Lee Hsien Loong conveyed his festive greetings to workers on duty at the central control room. This was followed by tossing of yu sheng with the workers. PM Lee also went on a short plant tour.

PM Lee was accompanied by NTUC President Mary Liew, NTUC Secretary-General Chan Chun Sing, key Labour Movement leaders, and leaders from the Union of Power and Gas Employees (UPAGE).

Senoko Energy thanks PM Lee, Ms Liew, Mr Chan, and the Labour Movement for visiting our shift workers on duty at the power station during this festive season.
